HOW TO GET THERE

FROM ROME AND THE STATION SQUARE SAINT LUCIA,

Take the vaporetto ACTV line 1, get off at Sant'Angelo.

FROM THE SANT'ANGELO STOP

Once you have alighted from the waterbus, walk straight on until you reach a tall red-brick building, then turn right into Ramo Narisi which is the first narrow street or "calle" after this building.

Turn the corner and continue on until you arrive at a small bridge.

At the top of it, turn left and walk along Calle del Pestrin.

At the end of this, you will see the Church of Saint Stephen and the Settimo Cielo is directly opposite.

FROM MARCO POLO.
